

## **Guidelines for accepting the admission offer:-**

You have been allotted the college now you have two options

- 1 Either accept the allotment and deposit the fee online OR you can apply for upward assessment by depositing only Rs.800/ In this case your first allotment will continue till the display of second list of allotment.
- 2 In second allotment if you get another college or no change in your previous allotment you have two options either to accept or apply for upward assessment by depositing 800/again and your present allotment will continue.
- 3 In third and final allotment you have to deposit fee of college online otherwise your allotment will be cancelled.
- 4 **Reporting date in the college is 5 July 2018 with original documents and difference of fee if any.**

You have to produce two copies of allotment letter in the college and put your signature give thumb impression in presence of college authority.

The college will send one copy of allotment letter to JET office and one copy will remain in the respective college.
